General Business

General discussion of breaking with the Women's Federation and becoming an independent club. Not many benefits of remaining with the Federation while many pros could be made for breaking away, including keeping most of our annual dues to ourselves rather than sending to the Federation. Discussed the possibility of applying to become a NFP Org (505c3). Discussed how we can support the Brookfield Library; Possibly a donation drive.

Next Meeting:

Wednesday, August 12th, 2019 from 7-8PM at Chef Shangri La.
